Water Right Information is current as of 10/23/2008

You have the following filters in place:

Township = 9

Range = 32

Range Direction = W

Section = 30

County(s) = 'TH'

Appropriated and/or Vested Water Rights = Yes

[WIMAS 5 User Manual](#)

There are 2 unique water rights and 2 unique points of diversion selected. Only 50 records are displayed at one time. Records can be sorted ascending (asc) or descending (desc) which will affect ALL the records in the selection set.

Filter for only Active Non/dismitted Water Rights
